ANNOUNCEMENTS

May is MENTAL HEALTH MONTH

LIVE WELL
SAN DIEGO

 An opportunity to promote mental health awareness in the community and open conversations around mental wellness.

 This year's theme is *Hope for Change*

- *It's about allowing ourselves to reflect on the growth we have experienced and empowering us to face change in the future with hope as our guiding principle.*

How to Participate

 Visit the Behavioral Health Services [MIMHM webpage](#)

- Virtual events calendar, green ribbon activities, resource link, highlights about physical activity opportunities for mental health, and directing change contest opportunities for youth.

 Visit the It's Up to Us webpage  for more mental health resources and information at <https://up2sd.org>

 Connect with one another using social media throughout the month of May by using the hashtag **#HopeForChangeSD**.

VACCINATION STORIES FROM EXPERTS AND COMMUNITY LEADERS ACROSS THE COUNTRY

TRAILS CHALLENGE

The *Live Well San Diego* Trails Challenge is a NEW signature event in collaboration with County Parks. It is designed to encourage residents of San Diego County to explore the county's parks and nature preserves – a great way to Be COVID Safe. Getting outside and being active can have so many **benefits** for your mental and physical health!

3 Major Components:

- Ranger-led hike each Saturday in May
- Warrior Hike Challenge on Saturday, May 29th
- Vizer 31-Day Fitness Challenge – Convert your activity into donated meals!
 - Join the Corporate Challenge with code “**LiveWell**” in the Vizer app

Date	Difficulty	Hike Information
May 1	Easy	Ramona Grasslands, 4-mile loop
May 8	Easy	Sweetwater/Morrison Pond, up to 5 miles
May 15	Moderate	Sycamore Canyon/Goodan Ranch, 3.5-mile loop
May 22	Moderate	Del Dios Highlands County Preserve, 2.5 miles out and back
May 29	Difficult	El Capitan, Warrior Challenge Hike, up to 12 miles out and back

Visit LiveWellSD.org/trailschallenge for more information on how to participate!

		Attend a full-capacity worship service	
		Sing in an indoor chorus	
		Eat at an indoor restaurant or bar	
		Participate in an indoor, high intensity exercise class	

LIVE WELL
SAN DIEGO

CHOOSING SAFER ACTIVITIES

Prevention measures not needed

Take prevention measures

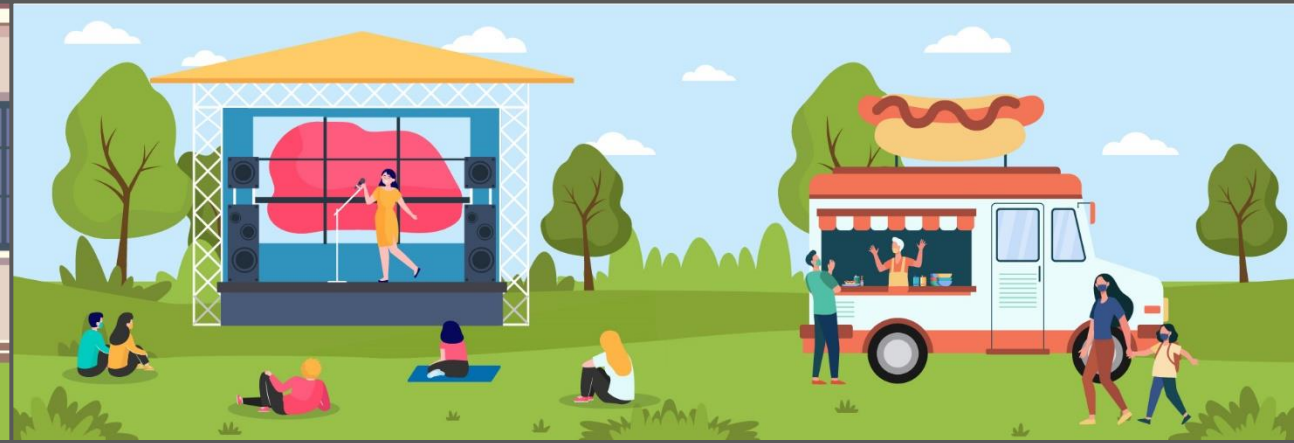

Fully vaccinated people: wear a mask
Unvaccinated people: wear a mask, stay 6 feet apart, and wash your hands.

- Safety levels assume the recommended prevention measures are followed, both by the individual and the venue (if applicable).
- It is important to consider your own personal situation and the risk to you, your family, and your community before venturing out.

SMALL & LARGE GATHERINGS

LIVE WELL
SAN DIEGO

Small Gatherings

- Small gatherings are informal and may occur with family and friends you regularly socialize with, often at someone's residence.
- They typically do not involve long distance travel.
- Examples: Holiday parties with close friends, family dinners, small special celebrations

Large Gatherings

- Large gatherings bring together many people from multiple households in a private or public space.
- These are often planned events with a large number of guests and invitations.
- Examples: Conferences, sporting events, concerts, large weddings and parties

IMPORTANCE OF THE 2ND VACCINE DOSE

Real-world data show vaccination* **reduced the risk** for COVID-19 hospitalization among adults 65 and older†

Vaccination is a critical tool to **reduce severe COVID-19** in adults 65 and older

- Clinical trials show that the Pfizer and Moderna COVID-19 vaccines are **94% effective** against COVID-19 hospitalization **among fully vaccinated adults**
- The vaccines are **64% effective** among **partially vaccinated adults** over 65

WHAT TO EXPECT AFTER YOUR COVID-19 VACCINE

LIVE WELL
SAN DIEGO

Common Side Effects

On the arm where you got the shot:

- Pain
- Redness
- Swelling

Throughout the rest of your body:

- Tiredness
- Headache
- Muscle pain
- Chills
- Fever
- Nausea

Helpful Tips

Talk to your doctor about taking over-the-counter medicine, such as ibuprofen, acetaminophen, aspirin, or antihistamines, for any pain and discomfort you may experience after getting vaccinated. You can take these medications to relieve post-vaccination side effects if you have no other medical reasons that prevent you from taking these medications normally.

It is [not recommended](#) you take these medicines before vaccination for the purpose of trying to prevent side effects.

To reduce pain and discomfort where you got the shot

- Apply a clean, cool, wet washcloth over the area.
- Use or exercise your arm.

To reduce discomfort from fever

- Drink plenty of fluids.
- Dress lightly.

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/expect/after.html>

PFIZER VACCINE FOR 12-15 YEAR-OLDS

- The U.S. Food and Drug Administration is expected to authorize the Pfizer-BioNTech COVID-19 vaccine for children 12 to 15 years old
 - This decision could come by some time early next week
 - The vaccine is currently authorized only for people age 16 and older.
